## PRESIDENT'S COLUMN

The leaves are starting to turn, crisp mornings, warm days and long nights. We have finally had some cool weather and some much-needed rain, but still need more rain to relieve the drought, and fill the ponds, lakes and rivers.

I just returned from our annual Mostoberfest; this is my husband's family reunion. We have been going to Robber's Cave for over 25 years. Staying in the big group camp for a week. Cooking big meal, crafting, hiking, kayaking, sharing stories of family and making lots of memories. We had over 45 in attendance, one member in her 80's and the youngest was 3 months. Even had family members from Germany. This time together is ways rewarding. It also starts my holiday spirit. With the cooler weather I like to try new recipes, decorate the house with the fall colors and then decorate for Christmas. One of my traditional seasonal things it to writing my Christmas newsletter, with all the events that happened in the past year. This is a tradition that my mother did and it is now my way to keep up with the extended family and friends. I have a few friends who also send holiday newsletters and it is such a joy to catch up. How many of you do this?

This last couple of months and coming months are going to be busy for OHCE. We had a great Leadership and Planning meeting. I think we have most Committee chairs filled. We still need to have someone to step up and lead the Social Committee. During the Planning meeting it was exciting to hear some of the ideas and project ideas that were mentioned. Looking forward to work together to implement some of them. We have had several signed up for the Barn Quilt workshop on November 3. If you missed out, we will host another workshop in the new year. The Stocking project is coming along with lots of stocking being made and decorated. Keep up the good work. Don't forget to take pictures of you working on the stockings.

Some of you may have heard, that I did win the Touch of Orange contest. This was the contest where members had to design and then make a professional blouse for Dr. Shrum, President of OSU. I was ecstatic when I heard. I will be invited to go to Stillwater to have my picture with her wearing my blouse.

Gayla Mosteller  
OK County OHCE President

## **GENEALOGY GROUP**

### **By Kathy Fetters**

The Genealogy Group met October 19th at the Extension Center. We had 11 members present. Following our salute to the flags, minutes and treasurer's report President Jan Beattie went through her October Genealogy Quick Tips. This month the focus was on "Easy Fact-Checking Online Family Trees" and the emphasis was to not believe everything you find on the internet. Jan's Quick Tips can be found on our website: [www.ohcegenealogy.com](http://www.ohcegenealogy.com).

President Jan Beattie was our speaker this month and brought to our attention quite a few women of the Wild West. Women like Calamity Jane and Annie Oakley, who were sharp shooters and appeared in Buffalo Bill's Wild West Show. Altogether Jan spoke of 19 women with names like Big Nose Kate, Stagecoach Mary Fields, Rose of Cimarron Dunn and her own relative, Mustang Sally Scull. These women led dangerous, adventurous lives mingling with the outlaws of their day, often in brothels, and facing the hardships and hard choices of a single woman in the 1800's. Some died young, some just disappeared leaving no record of what happened to them and some lived to their golden years, having left that wild life and moved into the life of a respectable citizen.

Our group will meet next on November 16th, at the Extension Center, with speaker Wayne Harris-Wyrick, retired director of the Kirkpatrick Planetarium at the Science Museum. He will present "Generation of Families ... In the Stars". Please join us next month.

## **ANNUAL 2022 LEADERSHIP DEVELOPMENT TRAINING UPDATE**

### **By Jan Bohannon, County Leadership Chair**

This annual training was provided by 4-H'er Natalie Teel and Jan Bohannon on October 6, 2022. The title of the program was, "What Does It Take?" (To Make A Super, Fantastic, World-Class OHCE Organization?). Twenty-four OHCE'ers attended this engaging program. The program is easy to share with OHCE groups, other groups you are a member of, and can even be adapted to share part or all of the program with children! And, I hope they will! By the way, I never knew we had so many great softball players!

Natalie did an outstanding job and we were all honored to meet her and have a 4-H'er join us! We wish her well as she continues to be an awesome leader and trainer!

Natalie Teel and Jan Bohannon

## LEADERSHIP MOMENT: A Word About Humor

### By Jan Bohannon, County Leadership Chair

True story, when my Dad was a little boy, he, and his three young brothers were abandoned by their father. This was during the Great Depression and times were hard for single Moms. Our country didn't have the safety nets in place back then as we do now. My Dad always said as hard as times got, and as cold and hungry as they were at times, only one thing got this family of five through those dark years. His Mom, my Grandma Mabel, knew the power of HUMOR! Dad said, "many families didn't make it, but it was our sense of humor and the ability to laugh at even the silliest of things that got us through those hard times." To this day, I fall on my sense of humor frequently, and I love cheesy and corny jokes. Thank you, Dad, for imparting this important coping skill in my life. An effective leader knows and understands the importance of humor. Anyway, who wants to follow a "no fun" leader? May we never underestimate the power of humor!

Well, I am definitely, a senior citizen and speaking of humor, I recently came across a few humorous quotes to share with you.

**WARNING: Only a senior citizen can enjoy these!**

*You know you're getting older when you have a party and the neighbors don't realize it 😊*

*I don't have gray hair. I have wisdom highlights 😊*

*Old age is coming at a really bad time 😊*

*I don't trip over things, I do random gravity checks 😊*

*I'm going to retire and live off my savings. Not sure what I'll do that second week 😊*

*The kids text me "plz" which is shorter than please. I text back "no" which is shorter than "yes" 😊*

*Wouldn't it be great if we could put ourselves in the dryer for 10 minutes and come out wrinkle-free and three sizes smaller 😊*

## SOCIAL COMMITTEE UPDATES

By Jan Bohannon

Christmas Holiday Luncheon - Mark your calendars for Friday, 11:30 am, December 2, for this fun event! The Social Committee is already making plans. This will be an old-fashioned Pot Luck with meat provided by the Social Committee. I will be contacting each group president for food assignments. We probably don't want to end up with 75 pumpkin pies. Let's be sure to bring a generous serving of our dish as last year we ran out of several things before everyone got through the serving line. We will have prizes, contests, entertainment, etc. Last year, many of you remarked it was the best one ever. Let's see if we can top that! Watch future newsletters for more details. **Group presidents, please RSVP to Jan with your count by Friday, November 18.**

Social Committee members continue to provide nutritious lunches for the county meetings. I want to thank each of you ladies for your dependability, for always coming in with your sleeves rolled up ready to serve one another and always a smile on your face! Last September, following the Business Meeting, a delicious Salad Bar Buffett was enjoyed by all. Members are Connie Graham, Pat Smith, Kathryn Wells, Ginny Meek, and Valerie DeBoer. Below are pictures of committee members taking care of everyone and having a good time.

Pat Smith and Connie Graham makes sure everything is organized.

OHCE member Freda Cunningham and Kathryn Well

Kathryn brought her home-grown, hand-shelled and home cooked Purple Hull Peas with Mushrooms for all to enjoy!

They were delicious! (It was rumored that Freda went back for thirds!)

Ginny Meek, is wrestling with the salad greens while Valerie DeBoer is getting the bowls of cheese ready. She knows our members LOVE LOVE cheese!

## **PRODUCTIVE AND FUN DAY AT OHCE LEADERSHIP TRAINING/ANNUAL PLANNING MEETING**

Thank you to **Jan Bohannon, Leadership Development Chair** and her 4-H assistant, **Natalie Teel** for providing an excellent workshop on the necessity of teamwork. Twenty-two members learned the importance of working together to strengthen our OHCE groups and county organization. After a boxed lunch, the planning for 2023 began. Many ideas were suggested and members volunteered for county committees. Thank you to the following members for agreeing to serve as 2023-24 committee chairs:

**Leadership Development – Jan Bohannon**

**Healthy Living – Kathryn Wells; Katie Harris** will provide healthy recipes to the OHCE newsletter

**Resource Management – Valerie DeBoer and Sue Hart; Alice White** will provide ideas for alternatives to recycling

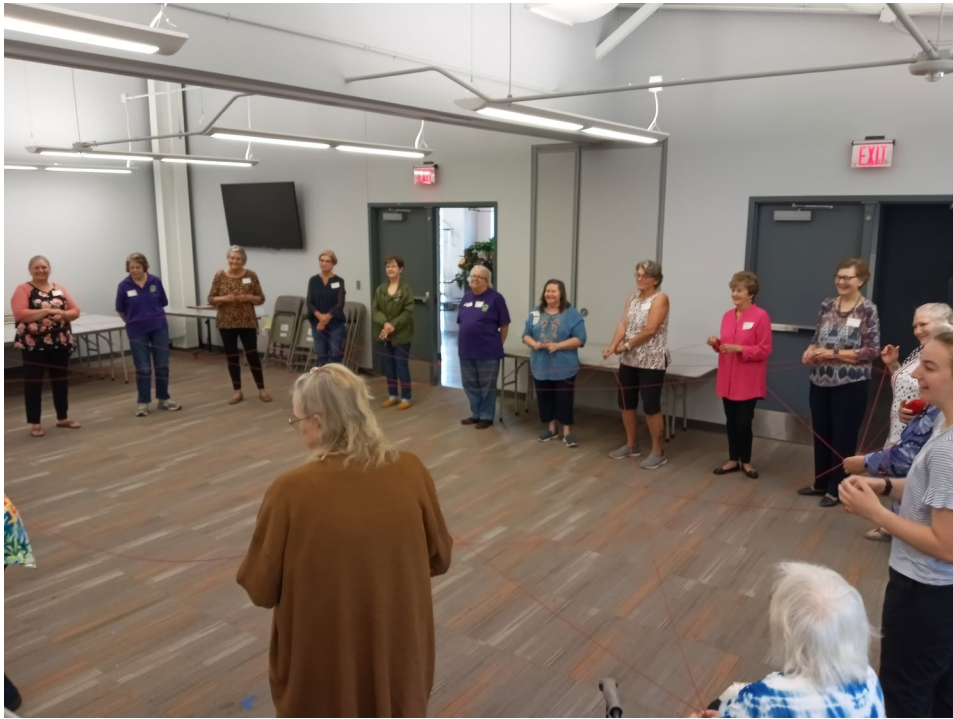

**Cultural Enrichment – Sandi Maness and Jan Beattie**

**Family Issues – Myra Moaning co-chair**

**Historian – Dee Shepherd**

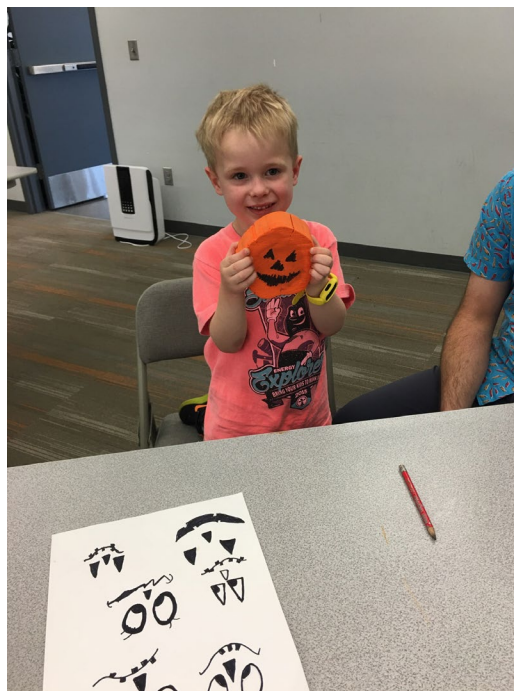

**Finance – Ruby Berg**

## MODERN HOMEMAKERS AT HARVEST FEST

The Harvest Fest event at the OSU Extension Center farmer's market was a big success! Over 150 people attended and shopped the vendor booths, ate caramel apples, decorated pumpkins and had their faces painted. Several fall crafts were available, including the Modern Homemaker's wooden pumpkin painting activity. Thank you to **Ruby Berg, Dottie Cather, and Mary Watson** for assisting almost 40 children with their cute creations!

# Cultural Enrichment Poster Contest

The State Cultural Enrichment Committee is promoting an annual poster contest that highlights points of interest in local counties.

Guidelines for the contest:

2. OHCE groups will decide on a location of interest in their county and portray this in a poster format. Size of posterboard will be 11in. X 14in. At least 3 types of medium ex: paint, drawing, photo, cut and paste should be used.
3. The poster will be accompanied by a blank Oklahoma map with location of your county and site marked.
4. A half-page description of the site (minimum 500 words) will also be attached to the poster. The written description should include site location, reasons for choosing the site, any historical data, etc. It should be typed and formatted for easy viewing from a short distance.
5. Posters will be taken by a designated person, such as the Educator, to the District Meetings. Posters will be displayed and judged at the district meetings.
6. The first-place winners of the district meetings will be displayed and judged at the annual state conference. The posters will be collected by the Cultural Enrichment Committee Representative who will take to State Conference for display and judging.
